All content ©2017 TruHearing, Inc. All Rights Reserved. Offer available only to VSP members and their extended family members who schedule an appointment through TruHearing and place an order on or before 12/31/2017. VSP-exclusive \$995 price available only on models shown. Savings based on a survey of national average retail hearing aid prices compared to average TruHearing pricing. Actual customer savings will vary. Smartphone compatible hearing aids connect directly to iPhone®, iPad®, and iPod® Touch devices. Connectivity also available to many Android phones with use of a phone clip accessory.
