The District's review, approval of, or payment for any of the Services required under this Agreement shall not be construed as assent that CM has complied, nor in any way relieve the CM of compliance, with (i) the applicable standard of care, or (ii) applicable statutes, regulations, rules, guidelines and requirements.
- 3.3 **Coordination:** In the performance of CM's services under this Agreement, CM agrees that it will maintain coordination with District-designated representatives as may be requested and desirable. Principal In Charge: _____

Project Director: _____

Construction Manager: _____

Project Manager: _____

Sr. Project Manager: _____

Estimator: _____

Assistant Construction Manager: _____

Assistant Project Manager: _____

Scheduler: _____

Other: _____

4.4 If any designated lead or key person fails to perform to the satisfaction of the District, then upon the District's written notice, the CM will have seven (7) calendar days to remove that person from the Project and shall provide a replacement person acceptable to the District.

4.4.1 All lead or key personnel for any Consultant must also be designated by the Consultant and are subject to all conditions stated in this Agreement.

- 4.5 CM represents that the CM has no existing interest and will not acquire any interest, direct or indirect, that could conflict in any manner or degree with the performance of Services required under this Agreement. CM agrees further that no person having any such interest shall be employed by CM.

- 6.2 The Construction Cost Budget shall be the total cost to District of all Project elements the Design Team designs or specifies.
- 6.3 CM shall work cooperatively with the Project Design Team throughout the Project, including but not limited to, the Schematic Design Phase, Design Development Phase, and Construction Documents Phase, as described in **Exhibit "A,"** so that the Project's construction cost as designed by the Project Design Team will not exceed the Construction Cost Budget, as may be adjusted subsequently with the District's written approval. CM shall notify the District if it believes the Project's construction cost of the work by the Project Design Team will exceed the Construction Cost Budget, and/or if it believes the construction cost as designed will exceed the Construction Cost Budget. CM, however, shall not perform or be responsible for any design or architectural services.
- 6.4 Evaluations of the District's Construction Budget, and CM's preliminary and detailed cost estimates, represent the CM's best judgment as a professional familiar with the construction industry.
- 6.5 If the Bidding Phase has not commenced within ninety (90) days after DSA approval of the plans and specifications, the Construction Cost Budget may be adjusted at District's request to reflect changes in the general level of prices in the construction industry between the date of submission of the Construction Documents to the District and the date on which proposals are sought.
- 6.6 The District may, in its sole discretion, do one, or a combination, of the following if any of the events in Article 6.7 occur:
 - 6.6.1 Give CM written approval of an agreed adjustment to the Construction Cost Budget.

- 6.6.2 Authorize CM to re-negotiate and/or re-bid the Project, when appropriate, within three (3) months' time of receipt of bids, at no additional cost to the District (exclusive of District and other agencies' review time).
 - 6.6.3 Terminate this Agreement if the Project is abandoned by the District without further obligation by either party.
 - 6.6.4 Within three (3) months of receipt of bids, instruct Design Team to revise the drawings and specifications (in scope and quality as approved by the District) to bring the Project within the Construction Cost Budget for re-bidding. CM will perform cost estimation, value engineering, constructability reviews, and/or bidding support at no additional cost to the District.
- 6.7 If any of the following events occur, the District may exercise any one, or any combination, of the actions set forth in Article 6.6 above:
- 6.7.1 The lowest responsive base bid received is five percent (5%) or more in excess of the Construction Cost Budget or
 - 6.7.2 The combined total of base bid and all additive alternates equal or exceed ten percent (10%) of the Construction Cost Budget; or
 - 6.7.3 The Construction Cost Budget increases in phases subsequent to the Schematic Design Phase due to reasonably foreseeable changes in the condition of the construction market in Bay Area, in so far as these have not been caused by Acts of God, earthquakes, strikes, war, or energy shortages due to uncontrollable events in the world economy.

ARTICLE 7. Fee and Method of Payment for Basic Services

- 7.1 District shall pay CM an amount not to exceed _____ Dollars (\$ _____) for all services contracted for under this Agreement and based on the Fee Schedule set forth in **Exhibit "D."**
- 7.2 District shall pay CM the Fee pursuant to the provisions herein and the method of payment set forth in **Exhibit "D."**
- 7.3 CM shall bill its work under this Agreement on a percent of completion basis in accordance with **Exhibit "D."**
- 7.4 No increase in fee will be due from change orders generated during the construction period to the extent caused by CM's error(s) or omission(s).
- 7.5 The CM's fee set forth in this Agreement shall be full compensation for all of CM's Services incurred in the performance hereof as indicated in **Exhibit "D,"** including, without limitation, all costs for personnel,

travel within two hundred (200) miles of the Project location, offices, per diem expenses, printing, providing or shipping of deliverables in the quantities set forth in **Exhibit "A."**

ARTICLE 8. Payment for Extra Services

- 8.1 Any charges for Extra Services shall be paid by the District as described in **Exhibit "B"** at the rates set forth in **Exhibit "D"** only upon certification of the District's prior written authorization of the claimed Extra Services and the Extra Services have been satisfactorily completed.
- 8.2 CM shall submit to District a written proposal describing the proposed scope of services and listing the personnel, labor duration, rates, and cost. CM shall proceed with Extra Services only upon receiving the District's prior written authorization. CM will not be entitled to any compensation for Extra Services performed prior to receiving District's written authorization.
- 8.3 If CM performs any Extra Services without the District's authorized representative's prior written authorization, the District will not be obligated to pay for such Extra Services. The foregoing provision notwithstanding, CM will be paid by the District as described in **Exhibit "B"** for Extra Services the District's authorized representative verbally requests, provided CM confirms such request in writing pursuant to the notice requirements of this Agreement, and proceeds with such Extra Services not earlier than two (2) business days after the District receives CM's written confirmation of the request.

ARTICLE 9. Ownership of Data

- 9.1 All of CM's work product prepared or generated in connection with this Agreement is the District's property.
- 9.2 Upon the District's request, the CM shall make available to the District all work product completed or in progress at the time of such a request.
- 9.3 After Project completion or, if the District exercises the right to terminate this Agreement pursuant to the Agreement terms, CM shall assemble and deliver to District within five (5) calendar days of the District's written request, all of CM's work product of the generated, prepared, reviewed or compiled in connection with this Agreement and the Services and authorized Extra Services hereunder. This includes, without limitation, all CM generated documents, copies of all documents CM exchanged with or copied to or from all other Project participants, and all closeout documents. CM shall be index and organize appropriately said Project records for easy use by District personnel.
- 9.4 All Project records are District property, whether or not those records are in the CM's possession. District retains all rights to all copyrights, designs, and other intellectual property embodied in the plans, record drawings, specifications, estimates, and other documents that CM or

its Consultants prepare or cause to be prepared pursuant to this Agreement. Notwithstanding the preceding sentence, CM and its Consultants shall be entitled to reuse work product generated under this Agreement.

ARTICLE 10. Termination of Contract

- 10.1 District's Request for Assurances: If District at any time reasonably believes CM is or may be in default under this Agreement, District may in its sole discretion notify CM of this fact and request written assurances from CM of performance of Services and a written plan from CM to remedy any potential default under the terms this Agreement that the District may advise CM of in writing. CM shall, within ten (10) calendar days of District's request, deliver a written cure plan that meets the District's requirements in its request for assurances. CM's failure to provide such written assurances of performance and the required written plan, within ten (10) calendar days of request, will constitute a material breach of this Agreement sufficient to justify termination for cause.
- 10.2 District's Termination of CM for Cause: If CM fails to perform CM's duties to the District's satisfaction, or if CM fails to fulfill in a timely and professional manner CM's material obligations under this Agreement, or if CM violates any of the material terms or provisions of this Agreement, the District shall have the right to terminate this Agreement effective immediately upon the District giving CM written notice thereof. In the event of a termination pursuant to this subdivision, CM may invoice District for all work performed until the notice of termination, but District shall have the right to withhold payment and deduct any amounts equal to the District's costs because of CM's actions, errors, or omissions.
- 10.3 District's Termination of CM for Convenience: District shall have the right in its sole discretion to terminate this Agreement for its own convenience. In the event of a termination for convenience, CM may invoice District and District shall pay all undisputed invoice(s) for work performed until the notice of termination. This shall be the only amount(s) potentially owing to CM if there is a termination for convenience.
- 10.4 CM's Termination of Agreement for Cause: CM has the right to terminate this Agreement if the District does not fulfill its material obligations under this Agreement and fails to cure such material default within sixty (60) days of receipt of written notice of said defaults, or if the default cannot be cured within sixty (60) days, commence to cure such default, diligently pursue such cure, and complete the cure within a reasonable time following written notice and demand from CM. Such termination shall be effective after receipt of written notice from CM to the District.
- 10.5 Effect on Pre-Termination Services: Except as indicated in this Article, termination shall have no effect upon any of the rights and obligations

of the Parties arising out of any transaction occurring prior to the effective date of such termination.

- 10.6 Ceasing Services upon Termination: If, at any time in the progress of performing Services under this Agreement, the District determines that CM's Services should be terminated, the CM, upon the District's written notice of such termination, shall immediately cease providing Services, except to transfer files as directed by the District. The District shall pay CM only the fee associated with the Services provided and approved by District since the last paid invoice and up to the notice of termination.
- 10.7 Project Suspension: If the Project is suspended by the District for more than one hundred and eighty (180) consecutive days, the CM shall be compensated for services performed prior to notice of such suspension. When the Project is resumed, the schedule shall be adjusted and the CM's compensation shall be equitably adjusted to provide for expenses incurred in the resumption of the CM's Services. CM shall make every effort to maintain the same Project personnel after suspension.

ARTICLE 11. Indemnity

- 11.1 To the furthest extent permitted by California law, CM shall indemnify and hold free and harmless the District, its Governing Board, agents, representatives, officers, consultants, employees, trustees, and volunteers ("the Indemnified Parties") from any and all claims, demands, causes of action, costs, expenses, liability, loss, damage or injury of any kind, in law or equity ("Claim") that arise out of, pertain to, or relate to the negligence, recklessness, or willful misconduct of the CM, its officers, employees, subcontractors, consultants, or agents, including without limitation, the payment of all consequential damages. CM shall also, to the furthest extent permitted by California law, defend the Indemnified Parties at CM's own expense, including attorneys' fees and costs, from any and all Claim(s) and allegations relating thereto with counsel approved by District where such approval is not to be unreasonably withheld.
- 11.2 CM shall pay and satisfy any judgment, award, or decree that may be rendered against the Indemnified Parties in any Claim. CM's obligation pursuant to Article 11.1 includes reimbursing the District for the cost of any settlement paid by the Indemnified Parties and for any and all fees and costs, including but not limited to, legal fees and costs, expert witness fees, and consultant fees, incurred by the Indemnified Parties in the defense of any Claim(s), or to enforce the indemnity herein. CM's obligation to indemnify shall not be restricted to insurance proceeds.
- 11.3 District may withhold from amounts owing to CM any and all costs that arise out of, pertain to, or relate to the negligence, recklessness, or willful misconduct of the CM.

ARTICLE 12. Conduct on Project Site and Fingerprinting

- 12.1 Unacceptable and/or loud language will not be tolerated. "Cat calls" or other derogatory language toward students or public will not be allowed.
- 12.2 Drugs, alcohol, and smoking on District property are strictly prohibited. No drugs, alcohol and/or smoking are allowed at any time in any building and/or grounds on District's property. No students, staff, visitors or contractors are to use drugs on District's property.
- 12.3 Pursuant to Education Code section 45125.1, the Fingerprinting/Criminal Background Investigation Certification (**Exhibit "E"**) must be completed and attached to this Agreement prior to CM's performing of any portion of the Services. CM expressly acknowledges that the following conditions shall apply to any work performed by CM and/or CM's employees on a school site:
- 12.3.1 All site visits shall be arranged through the District;
- 12.3.2 CM and CM's employees shall inform District of their proposed activities and location at the school site, allowing District time to arrange site visits without a disruption to the educational process;
- 12.3.3 CM and/or CM's employees shall check in with the school office each day immediately upon arriving at the school site;
- 12.3.4 Once at such location, CM and CM's employees shall not change locations without contacting the District;
- 12.3.5 CM and CM's employees shall not use student restroom facilities; and
- 12.3.6 If CM and CM's employees find themselves alone with a student, CM and CM's employees shall immediately contact the school office and request that a member of the school staff be assigned to the work location.
- 12.4 For all workers on District property, CM shall comply with all applicable federal, state and local laws regarding COVID-19. Further, except to the extent the Order provides otherwise, the CM and CM's personnel shall continue to comply with all other applicable terms in the CDPH's State Public Health Officer Orders.
- 12.5 **COVID-19 Vaccination / Testing Requirements**

Vaccination Requirements

CM shall fill out, sign, date and submit to District the COVID-19 Vaccination/Testing Certification Form (**Exhibit "F"**), attached hereto.

According to the August 11, 2021, California Department of Public Health ("CDPH") State Public Health Officer Order ("Order"), a person is "fully vaccinated" for COVID-19 if two weeks or more have passed

since they have received the second dose in a 2-dose series (Pfizer-BioNTech or Moderna or vaccine authorized by the World Health Organization), or two weeks or more have passed since they received a single-dose vaccine (Johnson and Johnson[J&J]/Janssen).

Pursuant to the CDPH Guidance for Vaccine Records Guidelines & Standards, CM shall only accept the following as proof of vaccination:

(a) COVID-19 Vaccination Record Card (issued by the Department of Health and Human Services Centers for Disease Control & Prevention or WHO Yellow Card which includes name of person vaccinated, type of vaccine provided and date last dose administered);

(b) a photo of a Vaccination Record Card as a separate document;

(c) a photo of a Vaccination Record Card stored on a phone or electronic device;

(d) documentation of COVID-19 vaccination from a health care provider;

(e) digital record that includes a QR code that when scanned by a SMART Health Card reader displays to the reader name, date of birth, vaccine dates and vaccine type; or

(f) documentation of vaccination from other contracted employers who follow these vaccination records guidelines and standards.

In the absence of knowledge to the contrary, CM may accept the documentation presented in (a) through (f) above as valid.

CM shall have a plan in place for tracking verified CM personnel vaccination status. Records of vaccination verification must be made available, upon request, to the local health jurisdiction for purposes of case investigation.

CM personnel, including any and all tiers of consultant, subcontractor, supplier, and any other personnel entering the Project site(s), who are not fully vaccinated, or for whom vaccine status is unknown or documentation is not provided, must be considered unvaccinated.

Weekly Testing Requirements

CM shall ensure that CM personnel, including any and all tiers of consultant, subcontractor, supplier, and any other worker entering the Project site(s), who are unvaccinated or who are not fully vaccinated are required to undergo diagnostic screening testing, as specified below:

(a) CM personnel may be tested with either antigen or molecular tests to satisfy this requirement, but unvaccinated or incompletely vaccinated workers must be tested at least once weekly

with either PCR testing or antigen testing. Any PCR (molecular) or antigen test used must either have Emergency Use Authorization by the U.S. Food and Drug Administration or be operating per the Laboratory Developed Test requirements by the U.S. Centers for Medicare and Medicaid Services.

(b) Unvaccinated or not fully vaccinated CM personnel must also observe all other infection control requirements, and are not exempted from the testing requirement even if they have a medical contraindication to vaccination, since they are still potentially able to spread the illness. Previous history of COVID-19 from which the individual recovered more than 90 days earlier, or a previous positive antibody test for COVID-19, do not waive this requirement for testing.

CM shall have a plan in place for tracking test results and conducting workplace contact tracing, and must report results to local public health departments, if applicable.

ARTICLE 13. Responsibilities of the District

- 13.1 The District shall examine the documents submitted by the CM and shall render decisions so as to avoid unreasonable delay in the process of the CM's Services.
- 13.2 The District shall provide to the CM as complete information as is available to District regarding the District's Project requirements.
- 13.3 The District shall retain design professional(s) whose services, duties and responsibilities will be described in written agreement(s) between the District and design professional(s).
- 13.4 Unless the contract documents require that Contractor provide any of the following, the District shall, in a timely manner, and with CM's assistance, secure, submit and pay for necessary approvals, easements, assessments, permits and charges required for the construction, use, or occupancy of permanent structures or for permanent changes in existing facilities, subject to CM's and/or the Design Team's duties to recommend or provide same.
- 13.5 The District, its representatives, and consultants shall communicate with the Contractor either directly or through the CM.
- 13.6 The District shall designate an officer, employee and/or other authorized representatives to act on the District's behalf with respect to the Project. The District's Project representative shall be available during working hours and as often as may be required to render decisions and to furnish information in a timely manner.

ARTICLE 14. Liability of District

- 14.1 Other than as provided in this Agreement, District's obligations under this Agreement shall be limited to the payment of the compensation as provided in this Agreement. Notwithstanding any other provision of this Agreement, in no event shall District be liable, regardless of

whether any claim is based on contract or tort, for any special, consequential, indirect or incidental damages, including but not limited to, lost profits or revenue, arising out of or in connection with this Agreement for the services performed in connection with this Agreement.

- 14.2 CM shall pay to District any and all costs incurred by District, or for which District may become liable, to the extent caused by negligent delays, acts, or omissions of CM in its performance of its Services.
- 14.3 District shall not be responsible for any damage to persons or property as a result of the use, misuse or failure of any equipment used by CM, or by its employees, even though such equipment be furnished or loaned to CM by District.
- 14.4 CM hereby waives any and all claim(s) for recovery from the District under this Agreement, which loss or damage is covered by valid and collectible insurance policies. CM agrees to have its required insurance policies endorsed to prevent the invalidation of insurance coverages by reason of this waiver. This waiver shall extend to claims paid, or expenses incurred, by CM's insurance company on the District's behalf.

ARTICLE 15. Insurance

- 15.1 CM shall procure, prior to commencement of Services, and will maintain for the duration of the Agreement insurance against claims for injuries to persons or damages to property which may arise from or in connection with the performance of the work hereunder by the CM, their agents, representatives, employees and sub-consultant(s). CM's liabilities, including but not limited to, CM's indemnity or defense obligations under this Agreement, shall not be deemed limited in any way to the insurance coverage required herein. Maintenance of specified insurance coverage is a material element of this Agreement and CM's failure to maintain or renew coverage or to provide evidence of renewal during the term of this Agreement, as required or when requested, may be treated by the District, subject to its sole discretion, as a material breach of contract.
- 15.2 **Minimum Scope and Limits of Insurance:** Coverage shall be at least as broad as the following scopes and limits:
 - 15.2.1 **Commercial General Liability.** Two million dollars (\$2,000,000) per occurrence for bodily injury, personal injury, property damage, death, advertising injury, and medical payments arising from the performance of any portion of the Services. If Commercial General Liability or other form with a general aggregate limit is used, either the general aggregate limit shall apply separately to this Project/location or the general aggregate limit shall be twice the required occurrence limit.
 - 15.2.2 **Commercial Automobile Liability, Any Auto.** One million dollars (\$1,000,000) per occurrence.

- 15.2.3 **Workers' Compensation.** Statutory limits required by the State of California. For all of the CM's employees who are subject to this Agreement and to the extent required by the applicable state or federal law, CM shall keep in full force and effect, a Workers' Compensation policy. CM shall provide an endorsement that the insurer waives the right of subrogation against the District and its respective elected officials, officers, employees, agents, representatives, consultants, trustees, and volunteers.
- 15.2.4 **Employer's Liability.** One million dollars (\$1,000,000) per accident for bodily injury or disease. For all of the CM's employees who are subject to this Agreement, CM shall keep in full force and effect, an Employment Practices Liability policy. That policy shall provide employers' liability coverage with minimum liability coverage of Two million dollars (\$2,000,000) per occurrence. CM shall provide an endorsement that the insurer waives the right of subrogation against the District and its respective elected officials, officers, employees, agents, representatives, consultants, trustees, and volunteers.
- 15.2.5 **Professional Liability.** This insurance shall cover the CM and its sub-consultant(s), if any, for one million dollars (\$1,000,000) aggregate limit subject to no claim deductible, coverage to continue through completion of construction plus two years thereafter. The policy must contain terms or endorsements extending coverage that requires the insurer to defend and indemnify for acts which happen before the effective date of the policy provided the claim is first made during the policy period.
- 15.3 The District reserves the right to modify the limits and coverages described herein, with appropriate credits or charges to be negotiated for such changes.
- 15.4 **Deductibles and Self-Insured Retention:** Any deductibles or self-insured retention exceeding Twenty-Five Thousand Dollars (\$25,000) must be declared to and approved by the District. At the option of the District, either:
- 15.4.1 The District can accept the higher deductible;
- 15.4.2 CM's insurer shall reduce or eliminate such deductibles or self-insured retention as respects the District, its officers, officials, employees and volunteers; or
- 15.4.3 CM shall procure a bond guaranteeing payment of losses and related investigations, claim administration and defense expenses.
- 15.5 **Other Insurance Provisions:** The general liability and automobile liability policies are to contain, or be endorsed to contain, the following provisions:

- 15.5.1 All policies except for the worker's compensation, employer's liability and professional liability insurance policy shall be written on an occurrence form.
- 15.5.2 The District, its representatives, consultants, trustees, officers, officials, employees, agents, and volunteers ("Additional Insureds") are to be covered as additional insureds as respects liability arising out of activities performed by or on behalf of the CM; Instruments of Service and completed operations of the CM; premises owned, occupied or used by the CM; or automobiles owned, leased, hired or borrowed by the CM. The coverage shall contain no special limitations on the scope of protection afforded to the Additional Insureds. All endorsements shall waive any right to subrogation against any of the Additional Insureds.
- 15.5.3 Any failure to comply with reporting or other provisions of the policies including breaches of warranties shall not affect coverage provided to the Additional Insureds.
- 15.5.4 CM shall pay all insurance premiums, including any charges for required waivers of subrogation or the endorsement of additional insureds. If CM fails to maintain insurance, District may take out comparable insurance, and deduct and retain amount of premium from any sums due CM under the Agreement.
- 15.5.5 The CM's insurance shall apply separately to each insured against whom claim is made or suit is brought, except with respect to the limits of the insurer's liability.
- 15.5.6 Each insurance policy required by this clause shall be endorsed to state that coverage shall not be canceled, not renewed, or material change in coverage except after thirty (30) days prior written notice by certified mail, return receipt requested, has been given to the District.
- 15.5.7 CM's insurance coverage shall be primary and non-contributory insurance as respects the Additional Insureds with respect to any claims related to, arising out of, or connected with the Project. Any insurance or self-insurance maintained by the Additional Insureds shall be in excess of the CM's insurance and shall not contribute with it.
- 15.5.8 CM shall provide an endorsement that the insurer waives the right of subrogation against the District and its respective elected officials, officers, employees, agents, representatives, consultants, trustees, and volunteers.
- 15.5.9 CM shall require all subconsultants to maintain the level of insurance CM deems appropriate with respect to the consultant's scope of the Work unless otherwise indicated

in the Agreement. CM shall cause the subconsultants to furnish proof thereof to District within ten (10) days of District's request. Should CM not require subconsultants to provide the same level of insurance as is required of CM, as provided in this Agreement, CM is not relieved of its indemnity obligations to District or fulfilling its insurance requirements as provided in this Agreement.

15.5.10 If CM normally carries insurance in an amount greater than the minimum amounts required herein, that greater amount shall become the minimum required amount of insurance for purposes of the Agreement. Therefore, CM hereby acknowledges and agrees that all insurance carried by it shall be deemed liability coverage for all actions it performs in connection with the Agreement.

15.6 **Acceptability of Insurers:** Insurance is to be placed with insurers admitted in California with a current A.M. Best's rating of no less than A:VII. CM shall inform the District in writing if any of its insurer(s) have an A.M. Best's rating less than A:VII. At the option of the District, the District may either:

15.6.1 Accept the lower rating; or

15.6.2 Require CM to procure insurance from another insurer.

15.7 **Verification of Coverage:** Prior to commencing with its provision of Services under this Agreement, but no later than three (3) calendar after the Notice of Award, CM shall furnish the District with:

15.7.1 Certificates of insurance showing maintenance of the required insurance coverage;

15.7.2 Original endorsements affecting coverage. The endorsements are to be signed by a person authorized by that insurer to bind coverage on its behalf. All endorsements are to be received and approved by the District before work commences.

15.8 **Copy of Insurance Policy(ies):** Upon the District's request, CM will furnish District with a copy of all insurance policies related to its provision of Services under this Agreement.

ARTICLE 16. Nondiscrimination

CM agrees to comply with the provisions of the California Fair Employment and Housing Act as set forth in part 2.8 of division 3 of the California Government Code, commencing at section 12900; the Federal Civil Rights Act of 1964, as set forth in Public Law 88-352, and all amendments thereto; Executive Order 11246; and all administrative rules and regulations found to be applicable to Consultant and all of its subcontractors. In addition, Consultant agrees to require like compliance by all of its subcontractor(s).

ARTICLE 17. Covenant Against Contingent Fees

CM warrants that it has not employed or retained any company or person, other than a bona fide employee working solely for the CM, to solicit or secure this Agreement, and that it has not paid or agreed to pay any company or person, other than a bona fide employee working solely for the CM, any fee, commission, percentage, brokerage fee, gift, or any other consideration contingent on or resulting from the award or making of this Agreement. For breach or violation of this warranty, the District shall have the right to annul this Agreement without liability, or in its discretion, to deduct from the contract price or consideration or otherwise recover the full amount of such fee, commission, percentage fee, gift, or contingency.

ARTICLE 18. Entire Agreement/Modification

This Agreement, including the Exhibits hereto, supersedes all previous contracts and constitutes the entire understanding of the Parties hereto. CM shall be entitled to no benefit other than those specified herein. No changes, amendments or alterations shall be effective unless in writing and signed by both Parties. CM specifically acknowledges that in entering into this Agreement, CM relies solely upon the provisions contained in this Agreement and no others.

ARTICLE 19. Non-Assignment of Agreement

This Agreement is intended to secure the CM's specialized services. CM may not assign, transfer, delegate or sublet any interest therein without the District's prior written consent. Any assignment, transfer, delegation or sublease without the District's prior written consent shall be considered null and void.

ARTICLE 20. Law, Venue

20.1 This Agreement has been executed and delivered in the State of California and the validity, enforceability and interpretation of any of the clauses of this Agreement shall be determined and governed by the laws of the State of California.

20.2 To the fullest extent permitted by California law, San Diego County shall be the venue for any action or proceeding that may be brought or arise out of, in connection with or by reason of this Agreement.

ARTICLE 21. Alternative Dispute Resolution

21.1 All claims, disputes or controversies arising out of, or in relation to the interpretation, application or enforcement of this Agreement may be decided through mediation as the first method of resolution. Notice of the demand for mediation of a dispute shall be filed in writing with the other party to the Agreement. The demand for mediation shall be made within a reasonable time after written notice of the dispute has been provided to the other party, but in no case longer than ninety (90) days after initial written notice.

21.2 If a claim, or any portion thereof, remains in dispute upon satisfaction of all applicable dispute resolution requirements, the CM shall comply with all claims presentation requirements as provided in Chapter 1

(commencing with section 900) and Chapter 2 (commencing with section 910) of Part 3 of Division 3.6 of Title 1 of Government Code as a condition precedent to the CM's right to bring a civil action against the District. For purposes of those provisions, the running of the time within which a claim must be presented to the District shall be tolled from the time the CM submits its written claim until the time the claim is denied, including any time utilized by any applicable meet and confer process.

- 21.3 Notwithstanding any disputes, claims or other disagreements between the CM and the District, CM shall continue to provide and perform Services hereunder pending a subsequent resolution of such disputes.

ARTICLE 22. Tolling of Claims

CM agrees to toll all statutes of limitations for District's assertion of claims against CM that arise out of, pertain to, or relate to Contractors' or subcontractors' claims against District involving CM's work, until the Contractors' or subcontractors' claims are finally resolved.

ARTICLE 23. Severability

If any term, covenant, condition or provision of this Agreement is held by a court of competent jurisdiction to be invalid, void or unenforceable, the remainder of the provisions hereof shall remain in full force and effect and shall in no way be affected, impaired or invalidated thereby.

ARTICLE 24. Employment Status

- 24.1 CM shall, during the entire term of Agreement, be construed to be an independent contractor and nothing in this Agreement is intended nor shall it be construed to create an employer-employee relationship, a joint venture relationship, or to allow District to exercise discretion or control over the professional manner in which CM performs the Services which are the subject matter of this Agreement; provided always, however, that the Services to be provided by CM shall be provided in a manner consistent with all applicable standards and regulations governing such Services.
- 24.2 CM understands and agrees that CM's personnel are not and will not be eligible for: membership in, or to receive any benefits from, any District group plan for hospital, surgical or medical insurance; membership in any District retirement program; paid vacation, paid sick leave or other leave, with or without pay; or any other benefits which accrue to a District employee.
- 24.3 Should District, in its discretion, or a relevant taxing authority such as the Internal Revenue Service or the State Employment Development Department, or both, determine that CM or any employee of CM is an employee of District for purposes of collection of any employment taxes, the amounts payable under this Agreement shall be reduced by amounts equal to both the employee and employer portions of the tax due (and offsetting any credits for amounts already paid by CM which

can be applied against this liability). District shall then forward those amounts to the relevant taxing authority.

- 24.4 Should a relevant taxing authority determine a liability for past services performed by CM for District, upon notification of such fact by District, CM shall promptly remit the amount due or arrange with District to have the amount due withheld from future payments to CM under this Agreement (again, offsetting any amounts already paid by CM which can be applied as a credit against that liability).
- 24.5 A determination of employment status pursuant to the preceding two paragraphs shall be solely for the purposes of the particular tax in question, and for all other purposes of this Agreement, CM shall not be considered an employee of District. Notwithstanding the foregoing, should any court, arbitrator, or administrative authority determine CM is an employee for any other purpose, then CM agrees to a reduction in District's liability resulting from this Agreement pursuant to principles similar to those stated in the foregoing paragraphs so that the total expenses of District under this Agreement shall not be greater than they would have been had the court, arbitrator, or administrative authority determined CM was not an employee.
- 24.6 Nothing in this Agreement shall operate to confer rights or benefits on persons or entities not a party to this Agreement.

ARTICLE 25. Warranty of CM

- 25.1 CM warrants that CM is properly licensed and/or certified under the laws and regulations of the State of California to provide the Services that it has herein agreed to perform. CM further warrants that all of the work CM performs under this Agreement shall comply with all applicable laws, rules, regulations and codes of the United States and the State of California. CM also warrants that it shall comply with all applicable ordinances, regulations, and resolutions of San Diego County.
- 25.2 CM certifies that it is aware of the provisions of the California Labor Code of the State of California, requiring every employer to be insured against liability for workers compensation or to undertake self-insurance in accordance with the provisions of that code, and it certifies that, if applicable, it will comply with those provisions before commencing the performance of the work of this Agreement.
- 25.3 To the extent that the work performed under this contract is subject to labor compliance and enforcement by the DIR, CM specifically acknowledges and understands that it shall perform the Services while complying with all applicable provisions of Division 2, Part 7, Chapter 1 of the Labor Code and Title 8 of the California Code of Regulations, including all applicable prevailing wage requirements.

ARTICLE 26. Cost Disclosure - Documents and Written Reports

CM shall be responsible for compliance with California Government Code section 7550, if the total cost of the Agreement is over five thousand dollars (\$5,000).

ARTICLE 27. Communications / Notice

Notices and communications between the Parties to this Agreement may be sent to the following addresses by registered or certified mail with postage prepaid, return receipt requested, by overnight delivery service, or by personal delivery:

ARTICLE 28. Disabled Veteran Business Enterprise Participation

Pursuant to section 17076.11 of the Education Code, the District has a participation goal for disabled veteran business enterprises ("DVBE") of at least three percent (3%), per year, of funds expended each year by the District on projects that use funds allocated by the State Allocation Board pursuant to the Leroy F. Greene School Facilities Act (the "Act"). This Project may use funds allocated under the Act. Therefore, CM, before it executes the Agreement, shall provide to the District certification of compliance with the procedures for implementation of DVBE contracting goals, appropriate documentation identifying the amount(s) intended to be paid to DVBEs in conjunction with the contract, and/or documentation demonstrating CM's good faith efforts to meet these goals.

ARTICLE 29. District's Right to Audit

29.1 District retains the right to review and audit, and the reasonable right of access to CM's and any Consultant's premises to review and audit the CM's compliance with the provisions of this Agreement ("District's Right"). The District's Right includes the right to inspect, photocopy, and to retain copies, outside of CM's premises, of any and all Project-related records and other information with appropriate safeguards, if such retention is deemed necessary by the District in its sole discretion. The District shall keep this information confidential, as allowed by applicable law.

- 29.2 The District's Right includes the right to examine any and all books, records, documents and any other evidence of procedures and practices that the District determines is necessary to discover and verify whether CM is in compliance with all requirements of this Agreement.
- 29.3 If there is a claim for additional compensation or for Extra Services, the District's Right includes the right to examine books, records, documents, and any and all other evidence and accounting procedures and practices that the District determines is necessary to discover and verify all direct and indirect costs, of whatever nature, which are claimed to have been incurred, or anticipated to be incurred.
- 29.4 CM shall maintain complete and accurate records in accordance with generally accepted accounting practices in the industry. CM shall make available to the District for review and audit all Project-related accounting records and documents and any other financial data. Upon District's request, CM shall submit exact duplicates of originals of all requested records to the District.
- 29.5 CM shall include audit provisions in any and all of its subcontracts, and shall ensure that these sections are binding upon all Consultants.
- 29.6 CM shall comply with these provisions within fifteen (15) days of the District's written request to review and audit any or all of CM's Project-related records and information.

ARTICLE 30. Other Provisions

- 30.1 CM shall be responsible for the cost of construction change orders caused directly by CM's willful misconduct or negligent acts, errors or omissions. Without limiting CM's liability for indirect or consequential cost impacts, the direct costs for which CM shall be liable shall equal its proportionate share of the difference between the cost of the change order and the reasonable cost of the work had such work been a part of the originally prepared Construction Documents. These amounts shall be paid by CM to District or the District may withhold those costs from amounts due or to become due to CM.
- 30.2 Neither the District's review, approval of, nor payment for, any of the Services required under this Agreement shall be construed to operate as a waiver of any rights under this Agreement, and CM shall remain liable to the District in accordance with this Agreement for all damages to the District caused by CM's failure to perform any of the Services furnished under this Agreement to the standard of care of the CM for its Services, which shall be, at a minimum, the standard of care of construction managers performing similar work for California public school districts at or around the same time and in or around the same geographic area of the District.
- 30.3 CM shall share, credit, or reimburse District fifty percent (50%) of the amount of any tax deduction and/or credit CM receives for District Projects under the Commercial Buildings Energy-Efficiency Tax

Deduction, 26 U.S. Code § 179D ("Section 179D"). CM shall provide District with all necessary documentation to enable District to verify the amounts of the Section 179D tax deduction. CM shall notify District in writing of the Section 179D tax deduction within 30 days of when CM receives IRS notice of the Section 179D tax deduction or receives the Section 179D tax refund, whichever occurs first.

- 30.4 Each party warrants that it has had the opportunity to consult counsel and understands the terms of this Agreement and the consequences of executing it. In addition, each party acknowledges that the drafting of this Agreement was the product of negotiation, that no party is the author of this Agreement, and that this Agreement shall not be construed against any party as the drafter of the Agreement.
- 30.5 The individual executing this Agreement on behalf of CM warrants and represents that she/he is authorized to execute this Agreement and bind the CM to all terms hereof.
- 30.6 This Agreement may be executed in one or more counterparts, each of which shall be deemed an original. A facsimile or electronic signature shall be deemed to be the equivalent of the actual original signature. All counterparts so executed shall constitute one Agreement binding all the Parties hereto.
